Social Media Volunteer

- Achieved **14,124** organic Instagram views in **1.5 months** while growing the account by **6%** through research-driven content strategy
- Develop and execute a strategic *social media content calendar* on culture, history, human rights, and advocacy, increasing awareness of Crimean Tatar identity and heritage
- Produce original *visual* and *short-form video* content (Reels) backed by in-depth research to ensure historical accuracy, cultural sensitivity, and relevance to current events

Konstanta R&D Group, Kyiv, Ukraine

June-November 2025

Communications Manager

- Planned and produced strategic *social media* and multimedia content (copy, visuals, short videos) to drive brand engagement and strengthen organizational visibility
- Wrote *analytical, mission-driven content*, monitored news for coverage opportunities, and support external communications with media, partners, and stakeholders

Blue Door Agency, Toronto, Canada

October 2022 -April 2023

Public Relations Intern

Achievements:

- *Secured* Valentine's Day roundup *coverage* for a hospitality client in *View The Vibe* and increased audience engagement through consistent agency social media posting
- Strengthened *new business reports* with strategic insights and optimized the agency's core media list to support executive decision-making

Responsibilities & Duties:

- Conducted *daily media monitoring* using **Cision** for a financial institution and produced monthly media trend reports with analysis and recommendations
- Led *research* for new business development and potential client analysis
- Built targeted *media and influencer lists* for general and client-specific campaigns
- Managed day-to-day *social media operations* and supported administrative coordination, including meeting scheduling and documentation preparation

Blue Ant Media, Toronto, Canada

April-June 2022

Public Relations Intern

- Developed *media alerts* and conducted Canadian and international media monitoring to support TV show launches and maximize audience reach
- Managed *viewer communications* and produced monthly viewer relations reports based on analysis of mail and social media feedback
- Supported the organization of an in-person documentary premiere and afterparty for *Kids in the Hall: Comedy Punks*, contributing to a high-profile media event

Self-Employed

2021-2023

Freelance Academic Writer

- Wrote and edited **50+ academic works** (coursework, research papers, bachelor's theses) across PR, crisis communications, psychology, and diplomacy
- Maintained a **100% client satisfaction** rate through rigorous research, critical analysis, and clear, persuasive academic writing

Industry & Community Contribution

Member, Student Council at the Ministry of Information Policy at Ukraine, 2018

Member, Canadian Public Relations Society, 2021

Certificates

Non-credit specialization "Graphic Design Elements for Non-Designers", University of Colorado Boulder (Coursera), 2020
